American Association of Physics Teachers. A professional membership association of scientists dedicated to enhancing the understanding and appreciation of physics through teaching.

American Association of Physics Teachers - AAPT.org

Time travel is the concept of movement between certain points in time, analogous to movement between different points in space by an object or a person, typically using a hypothetical device known as a time machine.

Time travel - Wikipedia

Eternalism is a philosophical approach to the ontological nature of time, which takes the view that all existence in time is equally real, as opposed to presentism or the growing block universe theory of time, in which at least the future is not the same as any other time. Some forms of eternalism give time a similar ontology to that of space ...
