I. Background. Earlier this year the Commission proposed rules that would require investment companies ("funds") 3 and investment advisers to adopt written compliance procedures, review the adequacy of those procedures annually, and designate a chief compliance officer responsible for their administration. 4 We proposed the rules because it is ...

Final Rule: Compliance Programs of Investment Companies

Web based reports reflect the current patch compliance levels and rollout status. Process design recommendations Defining Service Levels. When defining service levels, it is first necessary to understand that not all patches are created to resolve security vulnerabilities and that the severity of the vulnerability will vary.
