

community organizing and development pdf

Community organizing is a process where people who live in proximity to each other come together into an organization that acts in their shared self-interest.

Community organizing - Wikipedia

The United Nations defines community development as "a process where community members come together to take collective action and generate solutions to common problems."

Community development - Wikipedia

Welcome! This toolkit is designed for organizations and individuals that want to use participatory action research (PAR) to support their work towards social justice.
