Fun second grade worksheets in the areas of language arts, science, history, reading, and more for you to print and enjoy with your child or students.

Free Second Grade Worksheets for English, Reading, and

Readability is the ease with which a reader can understand a written text. In natural language, the readability of text depends on its content (the complexity of its vocabulary and syntax) and its presentation (such as typographic aspects like font size, line height, and line length).

Readability - Wikipedia

The high frequency word lists contain the words found in children's reading books in order of the frequency in which they occur. If students were to learn just the words contained on the very first list (words 1 to 100), they will have learned half of all the words they will come across in children's reading materials!
