I am a Principal Researcher at Microsoft Research New York City, where I work on political economy and social technology. My recent book with Eric A. Posner, *Radical Markets: Uprooting Capitalism and Democracy for a Just Society*, develops a new ideology that I advance through research, communication, activism and entrepreneurship. In my spare ...

Hi Stu. Actually it probably isn't because it's a custom object class "I've done custom objects without any trouble. You need double-check that all the attributes are spelled correctly in your CSV, that you have MPRs giving you permission to create them, all required attributes set " that sort of thing.
