Pre-Admission Screening/Resident Review Frequently Asked

This report ranks state Medicaid programs and provides state-specific summaries with the breakdown of scores by category. This allows states to pinpoint their areas of weakness, and to more successfully target their interventions. It also highlights states that have achieved success in one or more areas and can therefore serve as models for ...

Ranking State Medicaid Programs | Public Citizen

Primary care refers to the work of health professionals who act as a first point of consultation for all patients within the health care system. Such a professional would usually be a primary care physician, such as a general practitioner or family physician.

Health care - Wikipedia

End-of-life care (or EoLC) refers to health care, not only of a person in the final hours or days of their lives, but more broadly care of all those with a terminal condition that has become advanced, progressive, and incurable.
