Bilateralism is the conduct of political, economic, or cultural relations between two sovereign states. It is in contrast to unilateralism or multilateralism, which is activity by a single state or jointly by multiple states, respectively.

Bilateralism - Wikipedia

Definitions. Multilateralism was defined by Miles Kahler as "international governance" or global governance of the "many," and its central principle was "opposition [to] bilateral discriminatory arrangements that were believed to enhance the leverage of the powerful over the weak and to increase international conflict."
