[PDF Download] The Language of Literature: World

A state of the art critical review of research into literature in language education of interest to teachers of English and of modern foreign languages. There are prompts and principles for those who wish to improve their own practice or to engage in projects or research in this area.

Literature in Language Education | SpringerLink

A literary language is the form of a language used in the writing of the language. It is typically a dialect or standardised form of the language. It can sometimes differ noticeably from the various spoken forms of the language, but difference between literary and non-literary forms is greater in some languages than in others.
