Politics is the process of making decisions that apply to members of a group. It refers to achieving and

exercising positions of governanceâ€”organized control over a human community, particularly a state. The academic study focusing on just politics, which is therefore more targeted than all Political science, is sometimes referred to as Politology. In modern nation-states, people have formed political parties to represent their ideas. They agree to take the same position on many issues and ...

### **Politics - Wikipedia**

Schmitt criticizes political "radicals" as basically ignorant, deluded, pseudo-messianic in mentality, and oblivious to the stark, hard knowledge of unveiled human nature, its esse, encoded in ancient theology, wherein Original Sin held central, axial place, intertwining his own ideas of meta-politics with a reformulated "metaphysics of evil".
