Book Review: The Price of Inequality: How Today's Divided Society Endangers Our Future. America currently has the most inequality and the least equality of opportunity among the developed countries, writes Nobel Prize-winning economist Joseph E. Stiglitz in The Price of Inequality. While market forces play a role in this stark picture, politics has shaped those market forces. Stiglitz aims ...

### **"The Price of Inequality," by Joseph E. Stiglitz - The New**

The Price of Inequality. Jun 5, 2012 Joseph E. Stiglitz. America likes to think of itself as a land of opportunity, and others view it in much the same light. But there is less equality of opportunity in the US today than there is in Europe " or, indeed, in any advanced industrial country " and none of the resulting inequality in income and wealth is contributing to economic growth. NEW ...
